Dear Jon,

On Behalf of PTS Data Center Solutions, I would like to thank the Killing Kompany for making our Holiday Party a great success. This was our companies first murder mystery dinner and you and your fellow actors did an outstanding job of including everyone in the act. We especially liked how you customized the script to incorporate people and events from our community as well as having captured the many different personalities in our company. We are more than happy to recommend The Killing Kompany to anyone looking for a fun and hilarious night out.

Sincerely,
