

Hi John,

Hope you had fun last night. Heard it was absolutely fabulous from my guys, very sad I had to miss it! We will definitely pass along your name to others at XXXXXX for future events as there are lots of folks who would thoroughly enjoy this.

With regards to the reference letter, we are more than happy to put one together; however, we want to make sure it is okay for us to do so for confidentiality reasons, etc. Once we find out, we will let you know. Let me know if you have any questions.

Thanks again, it was great working with you.
