Mr. Jon Avner  
The Killing Kompany

Dear Jon,

I wanted to take a moment to thank you and your staff for making Allyson's Sweet 16 such an evening to remember. The kids had a WONDERFUL time – it was the topic of conversation at school for days. While I initially had my concerns as to how appropriate a murder mystery would be for teenagers, you instantly put my worries to rest. The show was wonderful – age appropriate and FUN – FUN - FUN. You involved so many of the kids and they all had a blast, especially Ben, who really enjoyed being the focus of the evening's running joke. Allyson was beaming at the end of the night and smiled for days. Thanks again for a perfect evening.

Sincerely,

Dr. and Mrs. Kevin Zacharoff
